Childs Wickham is one of the many village crosses which abound in Worcestershire. Cross-roads are supposed to have been peculiarly sacred in olden times, and sometimes those who were excluded from holy rites were piously buried at the foot of such crosses as the place next in sanctity to consecrated ground.

These thatched roofs & crosses
are so typical of parts
of England - so much that
is very quaint and beautiful
Have had most glorious
time only wish you all could
enjoy it. London is
most fascinating in all its
moods and so much that
is wonderful & intensely interesting
Love from London
regards to Mrs. Dr. Miss Carr & family.
